**MUTUAL AID RECEIVED- 0**

**Good evening Supervisor Stanley, members of the board, and town residents.**

I hope everyone had a great start to the spring season and has been enjoying the warmer weather that is finally upon us. Please be careful when you go out to your yards or go hiking one of the many trails to be mindful of bees and ticks. If you have an allergy to bees please make sure that you are carrying your epi-pen on you always. Also, if you need to use one or need to help someone with an epi-pen make sure it's in date and you know how to use it, also make sure you call 911 since even after the use of an Epi-Pen you can still have a reaction later. Prior to stepping inside after being in the yard or on the trail make sure you check yourself and everyone that was with you for ticks. A helpful and handy way of removing and checking for ticks is to use a lint roller over all clothing and skin. On a closing point make sure that you are drinking plenty of water or Gatorade and take plenty of breaks when you are out in the sun or doing any type of activity and be mindful of the signs of dehydration. As always, I hope everyone has a safe and happy month along with a safe holiday.
