PROPOSED USE OF SITE/REASON FOR REQUEST (attach add'l page if needed).

Proposed Temporary Event Venue to be Located at Existing Permitted Leeway Hotel

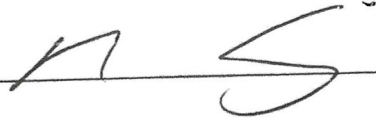

Note: If the applicant is NOT the owner of the property, but, is a proposed occupant or purchaser under contract or option, an affidavit/notarized letter of authorization from the owner must be submitted.

Note: Compliance with requirements shall be the sole responsibility of the applicant and/or his representative. Under the NY State SEQOR law, it is a requirement to fill out an EAF statement for submission with this application.

STATEMENT

The undersigned as individual owner(s) or as a qualified officer of the corporate owner of the above described property, hereby apply for approval of the proposed use and/or site plan for the development of the property in accordance with the provisions of the Zoning Law of the Town of Shandaken and authorize entry upon the property for site inspection by Planning/Zoning Officials and their authorized representatives. Further, I do hereby affirm that all fees, permits and charges applicable under the laws and ordinances of the State of New York and Town of Shandaken (including those required for any environmental impact studies, etc.) will be paid; also, any legal or engineering fees required, including consultant fees, if warranted, will be paid by applicant(s). Fees are due and payable to: "Town of Shandaken" upon submission of the application. Any of the additional fees aforementioned can be paid prior to the final hearing.

Site Plan Checklist

If the application includes the need for a Site Plan, the following checklist will simplify the items that will be required by the Planning Board. Please provide written responses to any required information that cannot be clearly reflected on the sketch plan or site plan packet. If you feel that the requirement is not applicable (N/A), you can check the box indicated. The final decision regarding whether information is necessary, lies with the Planning Office or with the Planning Board itself.

Done N/A

- [X] [] 1. Title of drawing, including name and address of applicant and person(s) responsible for preparation of such drawing.
- [X] [] 2. North arrow, scale and date.
- [X] [] 3. Accurate boundaries of the property plotted to scale.
- [X] [] 4. Existing watercourses.
- [] [X] 5. Grading and drainage plan showing existing and proposed contours at an appropriate interval to be specified by the Planning Board at the sketch plan conference, with two-foot contour intervals and soils data generally required on that portion of any site proposed for development where general site grades exceed 5% or there may be susceptibility to erosion, flooding or ponding.
- [X] [] 6. Location, proposed use and height of all buildings.
- [X] [] 7. Location, design and construction materials of all parking and truck-loading areas, with access and egress drives thereto.
- [X] [] 8. Provision for pedestrian access.
- [] [X] 9. Location of outdoor storage of equipment and materials, if any.
- [X] [] 10. Location, design and construction materials of all existing or proposed site improvements, including drains, culverts, retaining walls and fences.
- [X] [] 11. Description of the method of sewage disposal and the location, design and construction materials of such facilities.
- [X] [] 12. Description of the method of securing water supply and the location, design and construction materials of such facilities.
- [] [] 13. Location of fire and other emergency zones, including the location of the nearest water supply for fire emergencies.
- [] [X] 14. Location, design and construction materials of all energy distribution facilities, including electrical, gas and solar energy.
- [] [] 15. Location, size, design and construction materials of all proposed signage.

- [] 16. Location and proposed development of all buffer areas, including indication of existing vegetative cover.
- [] [] 17. Location and design of outdoor lighting facilities, including data regarding when appropriate, lighting levels both within the site and at the site's boundaries.
- [] 18. Designation of the amount of building area proposed for retail sales, office use or similar commercial activity.
- [] [] 19. Detailed landscaping plan and planting schedule, including the number, size, type and location of all canopy trees or understory trees, shrubs and ground covers to be planted.
- [] 20. Building elevations and sections at a scale sufficient to delineate clearly the massing and the exterior materials, textures and colors of all buildings and other structures shown on the site plan.
- [] [] 21. Other elements integral to the proposed development, as considered necessary by the Planning Board, including the identification of any state or county permits required for the project's execution.
