## **SUPERVISOR’S NOTES – JULY 2025**

I trust everyone had a pleasant 4<sup>th</sup>!  
This month we have a slew of summer camp resolutions for staff and bus hires.

We have a resolution for a new grant application and some housekeeping resolutions that are already in progress and approved.

There is a contract with the Town of Lexington to get paid for a service we have provided, as a courtesy, for many years.  
And we are filling a full-time Ambulance EMT slot with a Part-time employee.

We need to go into executive session tonight, which we’ll do at the end of the meeting. We need to discuss changes to the Ambulance contract and a property sale/ purchase possibility with Ulster County.

We will talk about a motion to temporarily lift the open container ban in Pine Hill for the Pride Festival and it’s sponsors.

As always, these notes and minutes of these and all Town meetings are online at our Town website. Shandaken.gov Or you can watch the meetings on you-tube.  
Our next regular meeting is August 4th

Summer is here and with it comes inherent risk associated with the heat it brings. As it's glorious for those of us that can jump in the Esopus and cool off, many of our citizens and visitors cannot do so- particularly the elderly. Please check in on your elderly neighbors in the heat of summer- as some compensate for heat poorly due to existing medical problems, poor circulation, dehydration, and regular medications.

Also, pay particular attention to the signs and symptoms of heat exhaustion and heat stroke in all ages while enjoying activities outdoors. We all think we can "take the heat", but in reality we all walk around dehydrated already, and tend to ignore symptoms of these ailments even when they are present. Please refer to the below signs and symptoms, exercise caution in the heat, and drink plenty of water!!!! As always, call 911 in an emergency!      Heat Stroke (A DIRE MEDICAL EMERGENCY):

- Body temperature over 105 degrees
- Throbbing headache
- Dizziness and light-headedness
- Lack of sweating despite the heat
- Red, hot, and dry skin    Muscle weakness or cramps
- Nausea and vomiting
- Rapid heartbeat, which may be either strong or weak
- Rapid, shallow breathing
- Behavioral changes such as confusion, disorientation, or staggering
- Seizures. Unconsciousness

### Heat Exhaustion:

- Pale skin
- Muscle or abdominal cramps
- Nausea, vomiting, or diarrhea
- Dizziness, Headache, Fatigue
- Profuse sweating
- Rapid heartbeat
- Confusion or Fainting

- Dark-colored urine (a sign of dehydration)

**The Monthly Report for The Shandaken Historical Museum for June 2025**

On Saturday June 5<sup>th</sup>, the Shandaken Historical Museum paid tribute to its founder Nancy Smith by dedicating the Pine Hill bridge near Main and Academy Street “The Nancy T. Smith Memorial Bridge.” A heartfelt dedication and celebration were given at the Museum for Nancy Smith’s friends, fans and family. The Museum felt that the bridge will serve as a symbol that connects Pine Hill’s past with its future.

On Sunday, June 15<sup>th</sup> noted author Evan Pritchard gave a multimedia presentation called “Turtle Tracks”. Over a dozen people came-most were Evan’s fans but some people were locals who had never been to the Museum. The presentation was rich and rewarding with a flute intro followed by an intriguing walking tour of the original Algonquin Turtle Island Trail that became Route 22. The story shed a new light on early New York City history and put the layout of Manhattan streets in a whole new light. The audience loved the presentation. Evan will present Part 2 the Turtle Tracks presentation in August.

The Museum is planning for our upcoming metal detecting weekend of August 9<sup>th</sup> and 10<sup>th</sup>. We are working with the Nor'easters Metal Detecting Club from Stamford CT. This metal detecting opportunity is available free for local property owners to find and unearth potentially rare or historically important metal treasures. The Nor'easters have worked with and helped sponsor the Museum for almost a decade. We look forward to literally digging into the history of Shandaken at many local sites.

Gisi Vella of the Morton Memorial Library reconnected former Chichester postmaster and local historian, Charlie Zimmerman with the Shandaken Historical Museum last week. We are planning to revive, update and improve a series of multimedia presentations that he started 20 years ago about the history of Shandaken and its twelve hamlets. The first presentation about the history of Chichester will be in the fall.

There will be a series of live concerts featuring live music from bands like Lex Grey and the Urban Pioneers, The Trapp, Wyld Blu, Thunder Ridge, and the 209s. All at Big Indian Park on July 13 and 27<sup>th</sup>, August 10<sup>th</sup> and 24<sup>th</sup> and September 7<sup>th</sup>. Come out for great fun, handcrafted local cider, brews, wine, and a great food truck. It’s family and dog friendly! No Cover!

In June the museum had some 30 visitors. Many leaving generous contributions and messages of thanks and appreciation.

Respectfully submitted,  
Joseph Prieboy- Director
